

# EVO Internet Gateway Addendum

All merchants using an Internet gateway must complete this addendum. This addendum will supplement and become part of the terms and conditions contained in the Merchant Processing Agreement dated \_\_\_\_\_, all of which are incorporated by reference herein.

This Addendum must be completed and submitted to CustomerSupport@EVOpayments.com and/or faxed to (516) 750-0253.

### Merchant information

_____ Merchant name	_____ Merchant number	_____ Requested by
_____ Contact	_____ Phone	_____ Email (Required)
_____ Address	_____ City	_____ State and Zip
_____ Email Address Gateway Admin* (Required)	_____ Merchant url	_____ Gateway name

\*Gateway Administrator is the individual responsible for setting up and validating the gateway account.

### Gateway Fee Schedule

Net ePay Monthly Access Fee (first device/lane)	\$ _____
• Additional Access Fee (per each additional device/lane)	\$ _____
Net ePay Gateway Access Fee	\$0.05 (per transaction)

\*All fees above to be billed on monthly statement.

Additional services such as Recurring Billing, Advanced Fraud Detection Suite, and Customer Information Manager (CIM), MUST be ordered by the merchant through Authorize.net after the merchant completes their Authorize.Net gateway set-up. These additional services are an agreement directly between the merchant and Authorize.net, therefore EVO does not bill for these services. Authorize.Net will handle the billing of any and all additional services that the merchant adds to their respective account(s).

### Card Holder Electronic Data Compliance

\* Note: Certified Application Providers (CAPs) and Value Added Resellers (VARs) are third party solutions that may transmit or store data

**Is cardholder data stored electronically?**      Yes                      No  
**If yes, where is card data stored?**              Merchant              CAP Only              Both Merchant & CAP              GAA Export Only

_____ Primary CAP/VAR	_____ Secondary CAP/VAR
--------------------------	----------------------------

_____ Merchant print name	_____ Merchant signature
------------------------------	-----------------------------

By signing this document Merchant agrees that EVO shall not be responsible for any interruptions, outages, or other delays of any kind relating to the Internet gateway services provided pursuant to this addendum. Fees are subject to change.
